1. What is the Public File?

Each local commercial radio station in the UK has requirements in respect of its music and local content, such as news etc. These requirements are set out in the station Format and Character of Service, a document issued by OFCOM, the UK media regulator. The Public File contains details of elements OFCOM regulate over, such as music tracks, local news etc. It is intended to give you a better understanding of our output and what we are doing for the community we serve. Any comments on the file can be made to us or OFCOM.

2. News Bulletins

Our local news coverage is comprehensive.

Mon - Fri Local, National and World News
0600-1800 inclusive

Saturday Local, National and World News
0800-1200 inclusive

Sunday Local, National and World News
0800-1200 inclusive

3. Recent News

YOUR Radio was acquired by Nation Broadcasting in September 2018.
Details of news coverage will appear here in future updates of this public file.

4. The News Team

If you have any queries about our news coverage, contact one of our journalists at news@nationbroadcasting.com

5. The Programming Schedule

Please consult our website for the latest programme schedule.

6. Automation and Local Programming

Sometimes it's necessary to pre-record (sometimes referred to as automation) programmes on the station.

All of our programming is automated under the regulator's definition, however presentation and content is normally recorded on the day of broadcast and the main presenter is located within the transmission area at the time of broadcast.

7. Events and Charities we Support

YOUR Radio was acquired by Nation Broadcasting in September 2018.

Details of news coverage will appear here in future updates of this public file.

8. Coverage Highlights
